

April 13, 1939;

Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Posey:

The Bank was not satisfied with the statement we sent them, and drew up the enclosed resolutions.

Please sign it and mail same to Gottlieb for his signature, and ask him to mail it directly to: The Lincoln National Bank, 1005 Broad Street, Newark, N. J.

I hope you were successful in Toledo. I was in Phila the day your wire arrived, that is why I did not answer it. Gottlieb had told me he was going to call you anyway. I would be very pleased to let the man in Toledo have a franchise.

Very truly yours,
